Program: the long-awaited travel program presented by **Rich Kasulke and Dave Cook:** their October 2025 trip with RCF (Reunite Cultures Fund) to France, Germany, and Switzerland. The group included between 18 and 21 travelers, many Rotarians, and (they) enjoyed some amazing hospitality as well as visiting many historic and beautiful sites. One highlight was to visit CERN where Timothy Berners-Lee invented the World Wide Web in 1989.
